

MAPP 13676 PCS No. 03077  
FOR USE ONLY AS A HOME GARDEN WEEDKILLER  
**INSTRUCTIONS FOR USE**

Resolva 24H<sup>®</sup> is ideal for fast knockdown and effective control of annual and deep-rooted perennial garden weeds including grasses, docks, nettles, dandelion, bindweed and many more. Killing weeds right to the root and showing visible results in just 24 hours, you can be sure you have Resolva'd your weed problem! What is more Resolva 24H<sup>®</sup> is broken down naturally in the soil.

#### WHERE TO USE

Resolva 24H<sup>®</sup> can be used to control weeds on all patios and driveways, along fences and areas where weeds are a problem • Resolva 24H<sup>®</sup> is for use on unwanted vegetation • DO NOT SPRAY HEDGE BOTTOMS • DO NOT apply to lawns or other wanted plants unless you want to kill them • Take extreme care to avoid drift as Resolva 24H<sup>®</sup> kills all green plant growth, including grass!

#### WHEN TO USE

Resolva 24H<sup>®</sup> should be applied from February to September  
• Use on a calm day when weeds are actively growing and have a large leaf area to absorb the weedkiller spray • Rainfall within 6 hours of application may reduce effectiveness and require re-treatment  
• Resolva 24H<sup>®</sup> kills most weeds with a single application • Some tough weeds may need a repeat treatment if regrowth appears • Two applications is the maximum number permitted.

#### TO REFILL THE RESOLVA 24H<sup>®</sup> POWER PUMP

- 1 Remove the pump and cap from the Resolva 24H<sup>®</sup> Power Pump by turning it anti-clockwise.
- 2 Remove the cap on the refill pack and pour the required amount into the Resolva 24H<sup>®</sup> Power Pump. Replace the cap on the refill after use and before storage.
- 3 Follow the instructions for use on the Resolva 24H<sup>®</sup> Power Pump.

TO REFILL OTHER GARDEN SPRAYERS - Resolva 24H<sup>®</sup> Power Pump refill can also be used through a suitable garden sprayer. Follow the instructions for use supplied by the sprayer manufacturer.

#### HOW TO USE

Always read the label fully before use • As good general practice the wearing of gloves is recommended when using this product although it is not a requirement • SHAKE WELL BEFORE USE • Spray weed leaves lightly until visibly moistened but avoid wetting to run-off • Do not walk into treated areas until the spray has dried on the leaves to avoid transfer to lawns and other vegetation • Treatment effect on some weeds will be seen within a few days • Other tougher weeds may not show effects for up to 4 weeks • Leave weeds for at least 7 days before cultivating.

#### SAFETY INSTRUCTIONS

**Protection During/In Use:** Do not breathe spray Avoid contact with skin • WASH ANY CONTAMINATION from skin or eyes immediately • WASH HANDS AND EXPOSED SKIN before meals and after use. **Environmental protection:** Do not empty into drains. **Storage and Disposal:** KEEP PRODUCT AWAY FROM CHILDREN AND PETS • KEEP PRODUCT IN ORIGINAL CONTAINER, tightly closed, in a safe place.
