

MAPP 15440 PCS No. 04488

FOR USE ONLY AS A HOME GARDEN WEEDKILLER

Resolva Path & Patio contains glyphosate & diquat as a ready to use spray for fast effective control of annual & deep-rooted perennial garden weeds including grasses, docks, nettles, dandelion, bindweed & many more on all paths, patios and driveways.

INSTRUCTIONS FOR USE

WHEN TO USE - Use on a calm day when weeds are actively growing & have a large leaf area to absorb the weedkiller spray • Rainfall within 6 hours of application may reduce effectiveness and require re-treatment • Kills most weeds with a single application • Some tough weeds may need repeat treatment if regrowth appears • Two applications is the maximum number permitted.

WHERE TO USE - For use on unwanted vegetation • **DO NOT SPRAY HEDGE BOTTOMS** • **DO NOT** apply to lawns or other unwanted plants unless you intend to kill them • Take extreme caution to avoid drift as Resolva Path & Patio kills all green plant growth including grass!

HOW TO USE - Always read the label fully before use • **SHAKE WELL BEFORE USE** • Rotate the spray adjuster to 'spray' or 'stream' • Spray the weed leaves lightly until fully wetted but avoid run off • Rotate spray adjuster to 'X' position after use and before storage • Do not walk into treated areas until the spray has dried on the leaves to avoid transfer to lawns and other vegetation • Treatment effect on some weeds will be seen within a few days • Other tougher weeds may not show effects for up to 4 weeks • Leave weeds for at least 7 days before cultivating • Treats up to 40 sq.m.

SAFETY INSTRUCTIONS

Protection During/In Use: Do not breathe spray • Avoid contact with skin • **WASH ANY CONTAMINATION** from skin or eyes immediately • **WASH HANDS AND EXPOSED SKIN** before meals and after use.

Environmental Protection: Do not empty into drains. **Storage and Disposal:** **KEEP PRODUCT AWAY FROM CHILDREN AND PETS** • **KEEP PRODUCT IN ORIGINAL CONTAINER**, tightly closed, in a safe place.

Risk and Safety Information

Harmful to aquatic life with long lasting effects

If medical advice is needed, have product container or label at hand • Keep out of reach of children • Read label before use • Do not contaminate water with the product or its container. **UK only:** Dispose of contents/container to a household waste recycling centre as hazardous waste except for empty containers which can be disposed of by recycling. Contact your local council for details. **Ireland:** Dispose of contents/container to a licensed waste disposal contractor or collection site except for triple rinsed containers which can be disposed of as non-hazardous waste. Contains diquat dibromide. May produce an allergic reaction. **To avoid risks to human health and the environment, comply with the instructions for use.** MAPP 15440 PCS No. 04488
